

# Women Artists Have Their Say: Film/Reading by Sue Perlgut

We welcome women artists of all disciplines who would like to participate in a film/reading project. Any woman may fill out this form. To be video taped/interviewed you must live, work or have you visited Tompkins County.

The Survey consists of multiple-choice questions and open-ended questions. Thank you for agreeing to take this survey and be part of the Women Artists Have Their Say project. Your answers may be used in the final film/ reading or you may be interviewed for the film. Video interviews will take place June-August of this year

If you would like more information about the project or to see the questions before your fill out the survey, you can go to [www.CloseToHomeProductions.com/WomenArtistsHaveTheirSay](http://www.CloseToHomeProductions.com/WomenArtistsHaveTheirSay) and download the PDF of the questions there. You will not be able to save and come back to this form, so you may like to write your narrative answers elsewhere and then cut and paste them into this form. THANK YOU
